 Minibus route 1

General

Home working 1  
 Public Slipway 3  
 Electric Cars 1

Reduce Fees at Station Car Park  
 West Street towards High Street

Rectory Rd / Belle Vue Rd / The Avenue

Non specific

Needs attention

Current restriction from 0745 to 0845 is considered too narrow. Add another from 1200 to 1400

Improve access to University

Extend electronic boards into Wivenhoe  
 Increase frequency above 2 per hour  
 Question why both services run simultaneously  
 Can be improved

To Manningtree and Colchester Crematorium  
 Public Transport more than satisfactory  
 Stressed importance of rail link to Liverpool St

Find alternatives to private car use

Fire Station and Cross Farm are too close

For all stops please

Circular route around housing estates

Reduce journeys to work

Public access to river

Local Charging points
